25 February 2021

Dear Parents and Carers

Following the Prime Minister's announcement on Monday of this week, we are writing to update you further to our earlier message this week.

As you are aware, the Government has announced that all children will be attending school again, as from Monday 8th March. In order to enable us to prepare for a full re-opening, we have made the decision to fully close the school on Friday 5th March. We do appreciate that this may cause inconvenience to some of you, but we need one day to ensure we have sufficient time to deep clean the classrooms and equipment, re-arrange rooms and shared spaces for school lunches. This is an essential aspect of our COVID-19 Risk Assessment and is supported by ODST. In addition, this is to make sure that the school and staff are well prepared to receive your children back to school and that we can operate effectively, ensuring the safety and well-being of your children and our staff.

As outlined in our previous letter, teachers will be setting the children remote learning tasks for that day.

We will update you next week with regards to our operational plan and changes to our risk assessment in line with the latest guidance.

Thank you for your understanding and continued support.

Best wishes,

Lisa Austin and Lisa Horton
