Nominated Governor for Community of Reference 2020-21

Governor Lead Roger Murphy

Ensure the following actions are undertaken and where applicable outcomes presented to the Governing Board.

1. Set key actions/targets at the beginning of each academic year in conjunction with the FGB reflecting the current needs of the school and wider community.
2. Draft the end of year Community Report (a summary of the year's highlights, school, successes and governor activities/monitoring).
3. Be mindful of the needs of the school's catchment, as well as the needs of pupils and families from outside the catchment, promoting cohesion and community spirit.
4. Keep informed of developments and plans within the local community, and communicate the school's position on plans (once agreed by the Governing Board), ensuring a consistent message is delivered.
5. Ensure that the school Hall is promoted to the community and utilised to its full potential, maximising revenue for the school.
6. Ensure that links to the village hall are maintained and are to the benefit of the school.
7. Ensure productive relations with the PTA to maximise the benefit to pupils and the school of their fundraising and activities.
8. Meet regularly with the School Council, report and facilitate discussion of their views.
9. Seek opportunities for partnerships with community organisations; including clubs, other primary and secondary schools that will complement the school's mission of 'achieving together'.
10. Seek opportunities for partnerships and sponsorship with local businesses

Agreed by the Interim Executive Board on 20.10.20
