

Monday 18th May 2020

Dear Parents and Carers,

I hope this letter finds you and your families well and safe.

As you are probably already aware, in line with government plans we are preparing for a phased re-opening of the school for Years R, 1 and 6 from the **2nd June 2020**.

The phased return is only open to children in the above year groups, as well as children of critical workers and vulnerable children at present. Siblings in year groups not in this phase are asked to remain at home.

Our strategic plan and revised health and safety policies are based on the guidelines issued from the Department for Education. Following these stringently, will ensure the school is as safe as it can possibly be for your children and the staff returning to work.

Some of the changes to the normal routines to improve the safety and hygiene and reduce the risk of the spread of infection include:

- A staggered start and finish time with social distancing protocols for the safety of everyone entering and leaving the site.
- Additional cleaning each day with a deep clean once per week.
- Small class groupings which do not mix across the school including at play or lunch times.
- No parents, visitors or volunteers allowed in school.
- No sharing of toys and equipment between groups.
- Daily temperature checks using an infrared thermometer.

I am working on a detailed plan which will be shared and finalised with the school staff later this week. Once the details are available, we will send you more information.

To enable us to plan effectively for your child's return to school please can you email the school office with your response to the questions below;

Please be advised that the school will be closed for half term and on Monday 1st June for staff INSET.

Best wishes,

Lisa Horton

Executive Headteacher

Please can you confirm the following by email to: office.3183@clifton-hampden.oxon.sch.uk
by Thursday 21st May.

- If you **will, or will not** send your child back to the school setting from 2nd June.
- Is there any specific information you require to help you with your decision?

Thank you, for your assistance with our preparations.
