Covid Safety September 202

It is important that you keep school informed if anyone in your household develops coronavirus symptoms, or if they are a close contact of a positive case. This helps us to keep others in school safe, and to use additional safety measures wherever appropriate.

- Children MUST NOT attend school if they display symptoms of coronavirus
- Children will be sent home if they display symptoms of coronavirus
- Children displaying symptoms of coronavirus must isolate immediately and seek a PCR test at a test site. Lateral flow tests should not be used.
