Dear Parents and Carers,

Harvest

On Thursday morning, all the pupils and staff of Blewbury School walked to St Michael and All Angels Church for our Harvest Festival Service, led by Father Jason.

“I said thank-you to God for the food we have,” *Cici, Picasso class*.
We were overwhelmed with donations of food for Didcot Foodbank – thank-you to all who gave generously. Find out more about the service [here](#).

Parents Evening

We will be holding parent teacher consultations during the last week of this half term. We have planned a blended approach to support all of our parents and carers, with **Tuesday 19th October** being face-to-face meetings in school and **Thursday 21st October** being virtual meetings via zoom. Parents evening appointments are available to book on ParentMail. If you have any problems with this, please contact Mrs Bealey in the school office.

Covid safety

Parents and household members are asked to test with a lateral flow test twice weekly. At school, staff do this on Sunday and Wednesday evenings - please do join us in keeping our community as safe as possible.

Follow the link for DfE guidance on [What parents and carers need to know about early years providers, schools and colleges](#).

Thank you in supporting us to keep our school community safe and well.

TheFA For All

With the approach of COP26, climate change is attracting large amounts of media and public attention. As one part of our local response we are organising a **free** showing of a very powerful documentary film which has already won many awards throughout the world.

It tells the story of Kisilu, a Kenyan farmer who starts to use his camera to capture the impact of climate change on his family and village. A violent storm brings him into contact with a Norwegian filmmaker, and soon he becomes a community leader and activist on the global stage.
